

GRABEK GLOBAL

Investing in a Sustainable Future

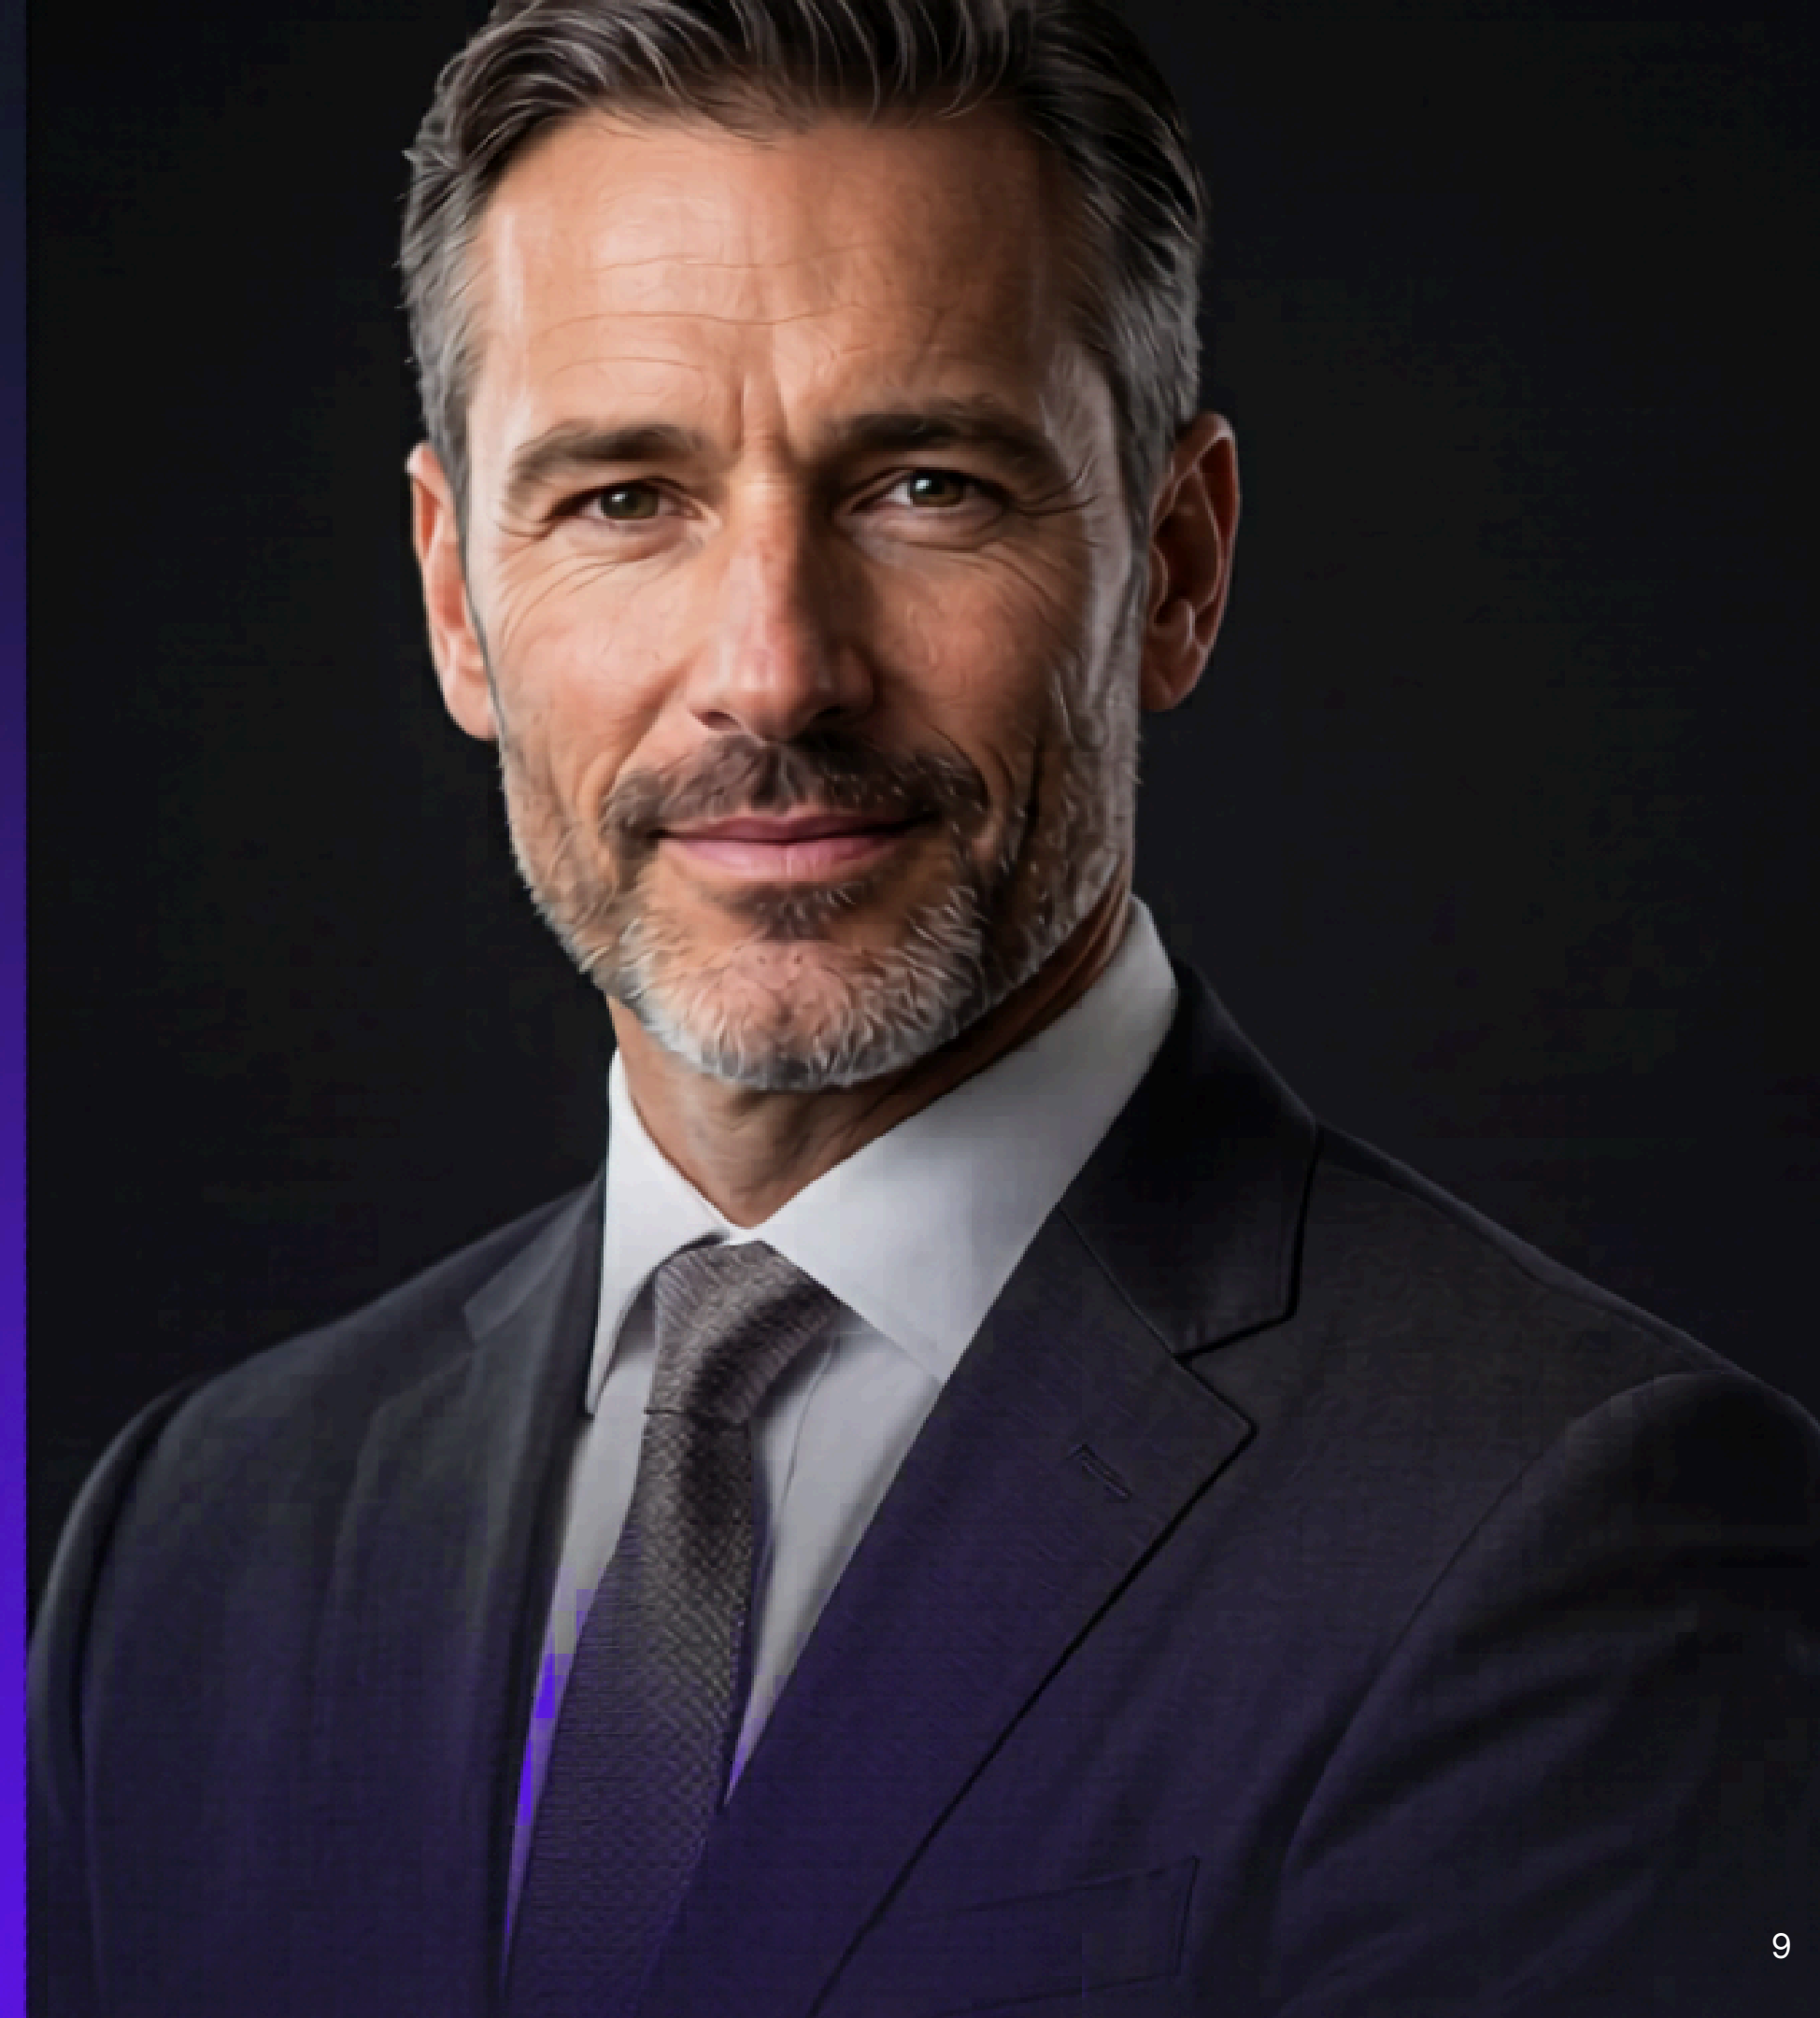

MESSAGE FROM CEO LUCAS

Welcome to Grabek Global. As we navigate the evolving landscape of natural resource investments, our commitment remains steadfast: delivering sustainable value while protecting our planet for future generations. Through innovation and ESG integration, we are building lasting prosperity.

▶ **Leadership vision for sustainable growth**

▶ **Innovation in natural resource investments**

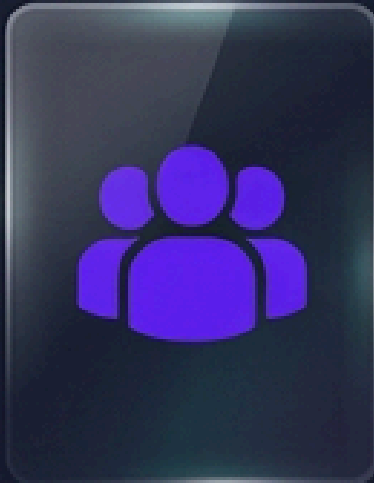

▶ **ESG focus and long-term value creation**

ASSETS UNDER MANAGEMENT

As of March 2024, Grabek Global manages \$87.6 billion in diversified natural resource investments with a market capitalization of \$4.5 billion.

GLOBAL CLIENTS 3.12 Million

Our trusted platform serves over 3.12 million clients worldwide, processing more than 55,000 weekly transactions across all investment sectors.

DIVERSIFIED PORTFOLIO

Strategic investments span forestry and timber production, crypto mining operations, climate solutions, and renewable energy across the USA, UK, and Armenia.

CORPORATE OVERVIEW

Mission & Vision

At Grabek Global, we are committed to transparency, security, and client-centered growth. Our purpose and aspirations guide every investment decision, ensuring long-term value creation for our stakeholders and the planet.

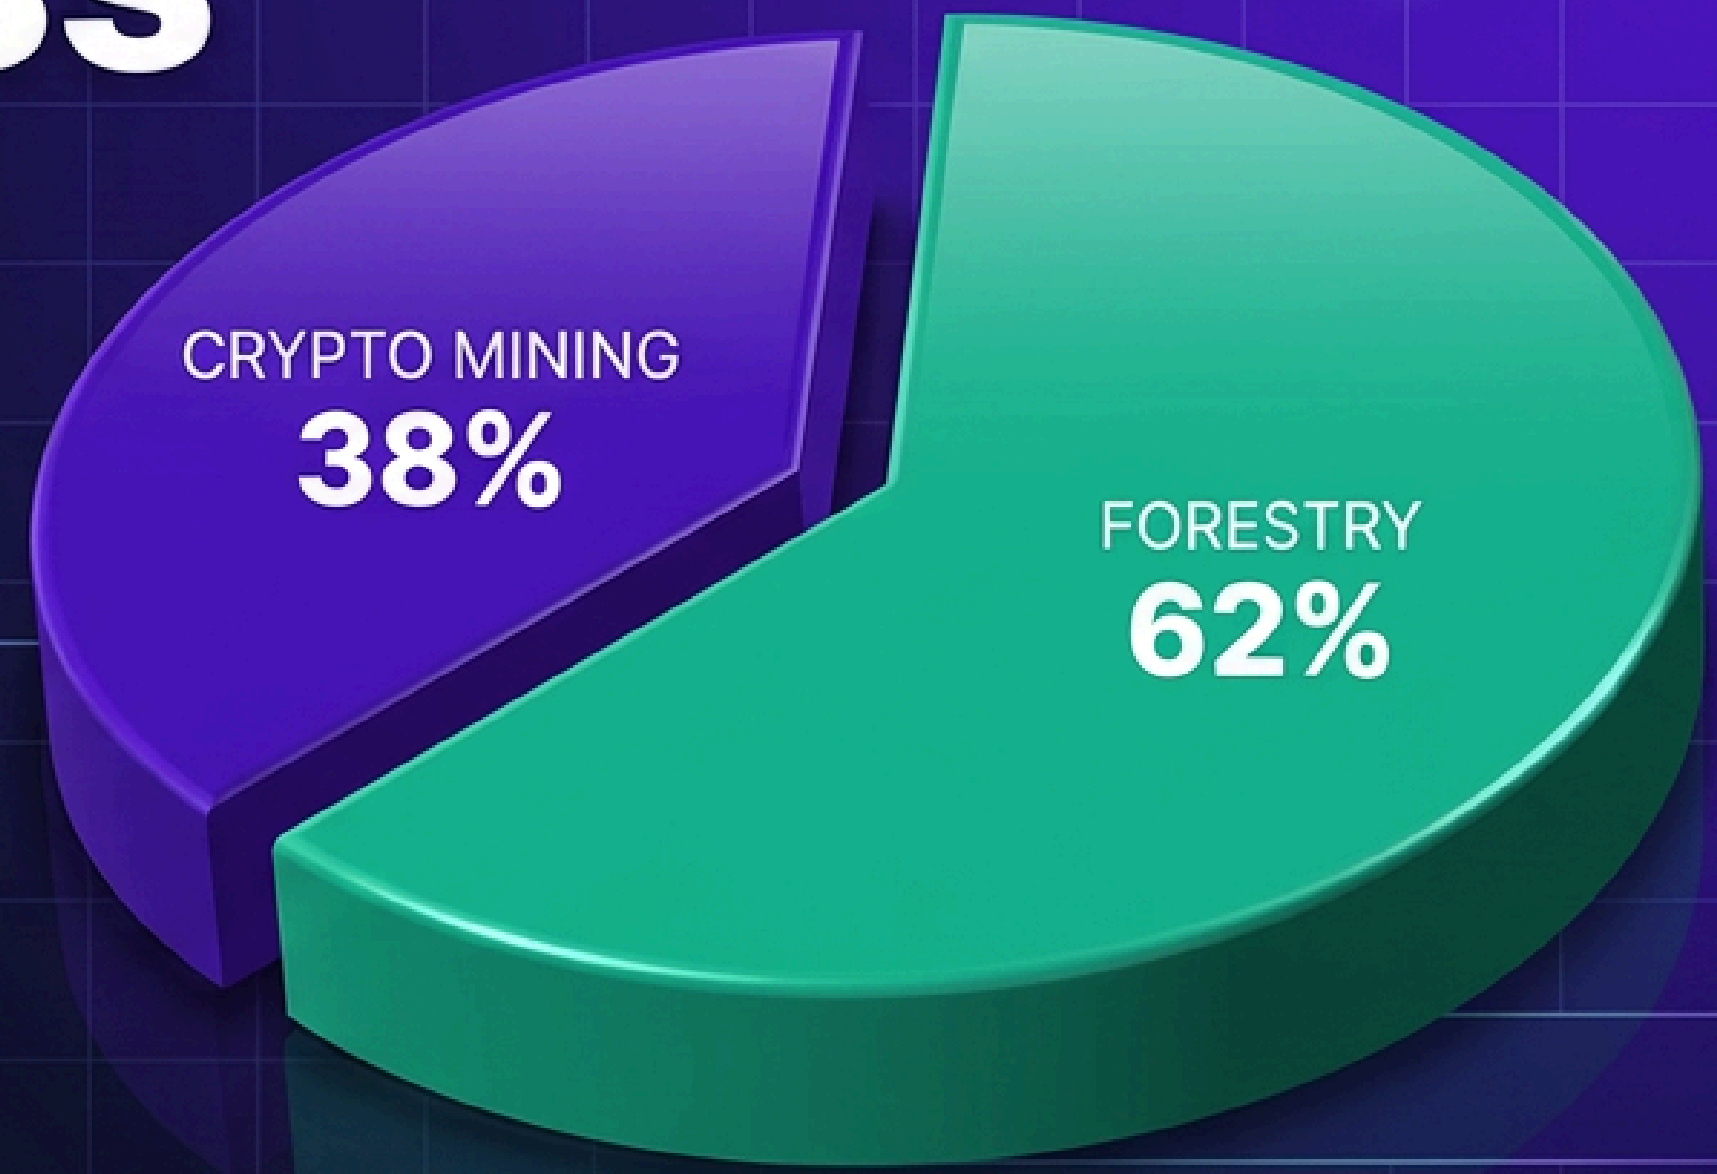

▶ **Mission:** Generate sustainable value through responsible natural resource investments integrated with ESG principles

▶ **Vision:** Lead innovation in forestry, mining, and climate solutions to build a greener economy

▶ **Commitment:** Transparency, security, and client-centered growth

Key Business Sectors

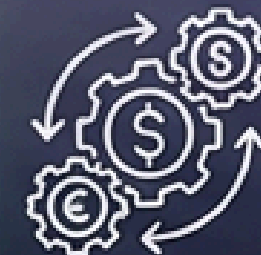

Forestry Services

Timber management and logistics.

Mining Operations

High-compute blockchain verification.

Resource Strategy

Diversified portfolio balancing.

Mining Investment Plan

Invest in hash power packages to participate in our crypto mining operations. With our power plants ensuring operational efficiency, investors receive daily profit accrued for consistent passive income generation.

- ▶ **Purchase hash power units**
- ▶ **Daily profit accrued system**
- ▶ **Consistent passive returns**

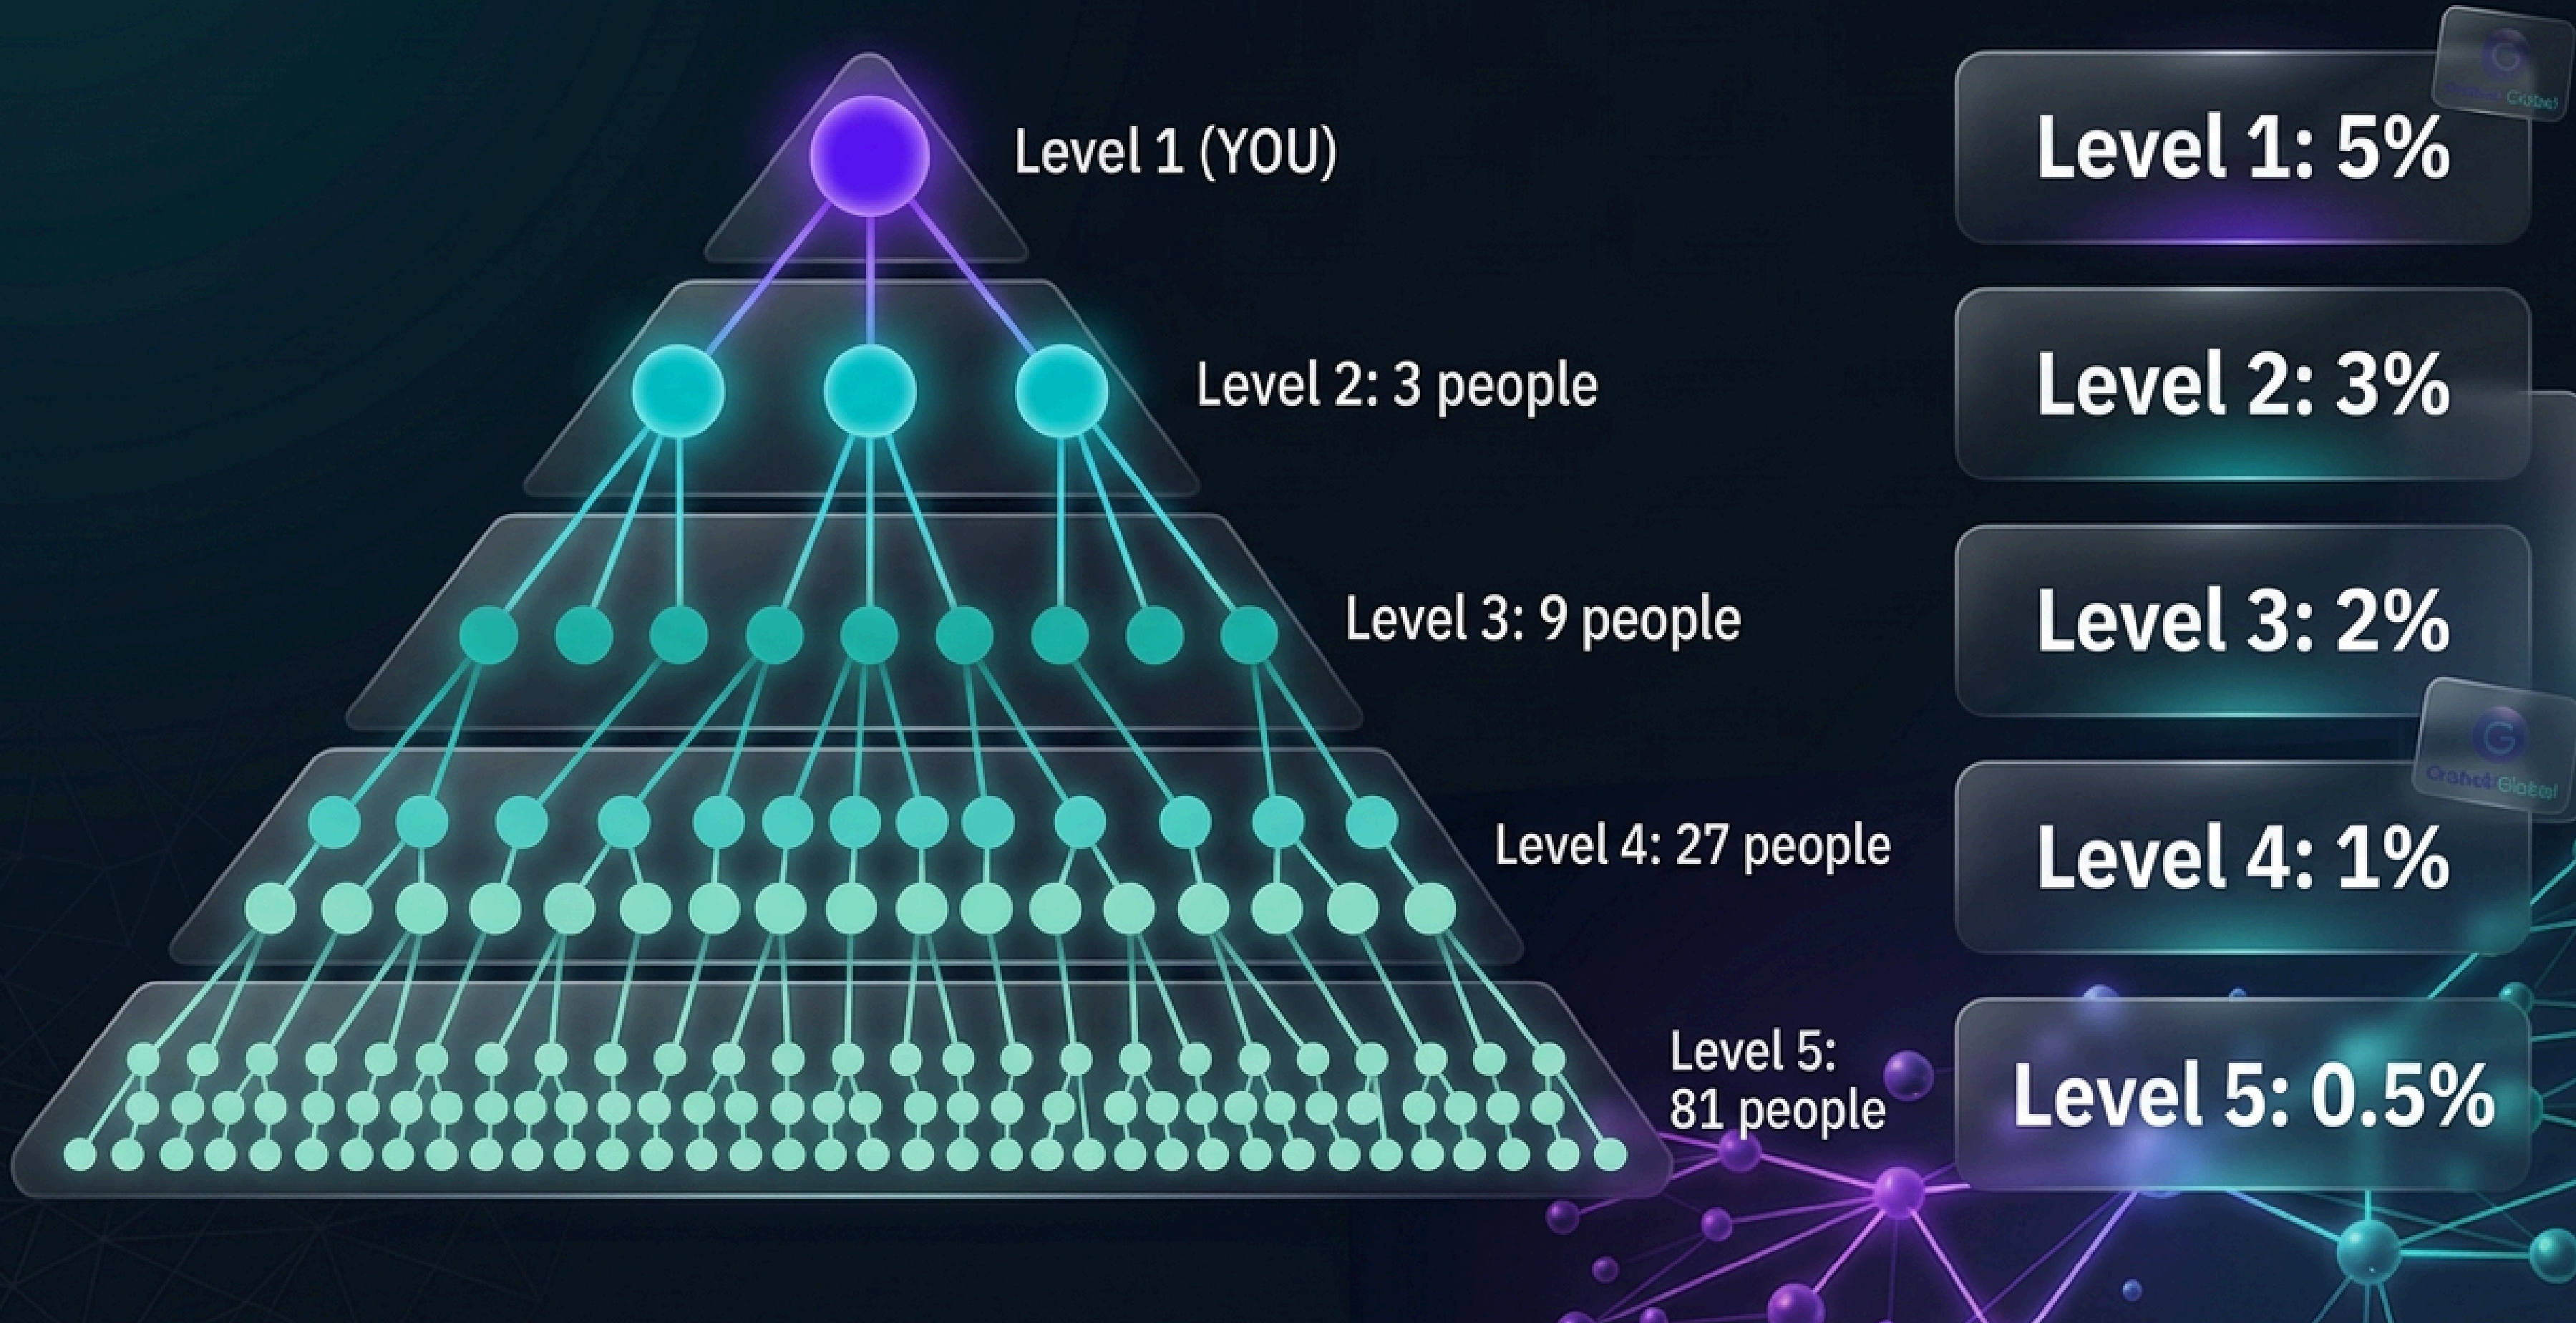

Forestry Investment Plan

Our Field Packages offer income-generating sustainable forestry parcels designed for long-term growth. Investors benefit from timber sales and wood production while contributing to environmental stewardship. Each parcel generates income through responsible harvesting and carbon credit opportunities.

- **Income-generating forestry parcels**
- **Timber and wood production revenue**
- **Carbon credit generation opportunities**

Grabek Global 5-Level Referral Program

Add Cryptocurrency Wallet Addresses

Connect your BTC, ETH, and USDt wallet addresses for seamless deposits and withdrawals across multiple cryptocurrencies.

Enable Two-Factor Authentication

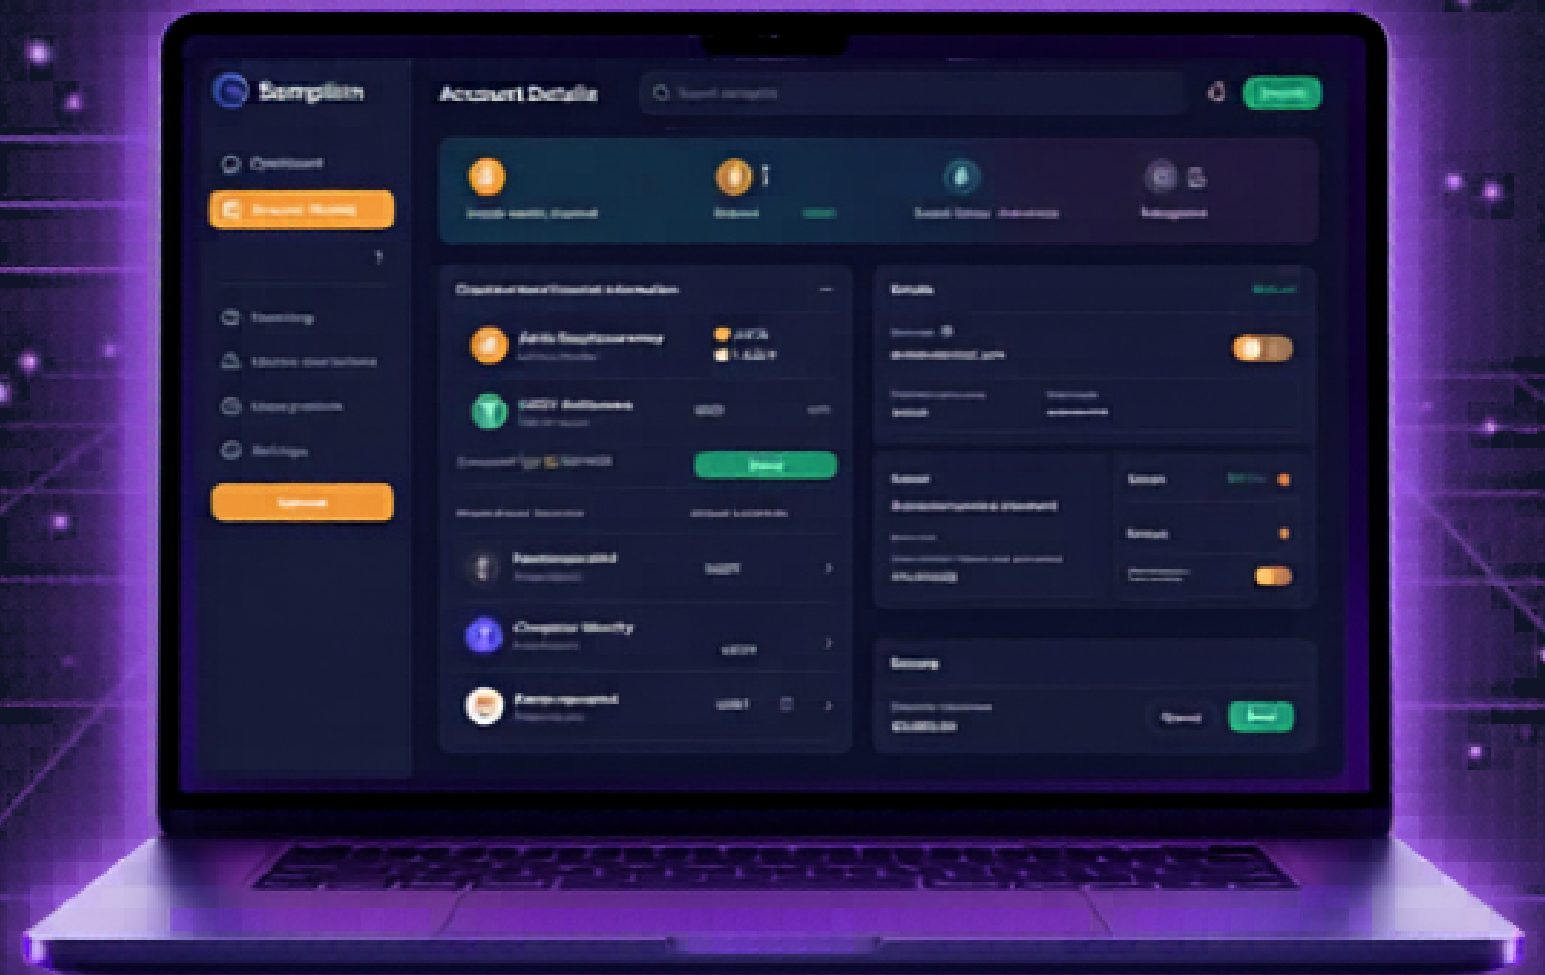

Activate mandatory 2FA for enhanced security. This critical layer protects your account with a code sent to your device.

Complete Identity Verification

Fill your profile and submit identity documents for secure compliance verification, unlocking full platform access.

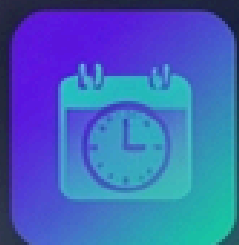

Step 2: Provide Account Details

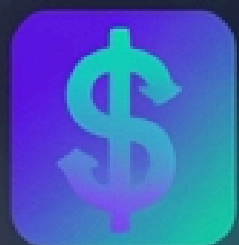

Review profit potential

Analyze expected returns for your chosen investment plan. Compare forestry and mining packages to find the option that best matches your financial goals and risk tolerance.

Check deposit duration and terms

Understand the commitment period for each investment. Review withdrawal policies and conditions to ensure the plan aligns with your liquidity needs and timeline.

Daily profits begin immediately

Once your investment is confirmed, daily profit accrual starts right away. Track your earnings in real-time through your secure dashboard and watch your portfolio grow.

CHOOSE YOUR INVESTMENT RATE

Multi-Sector Account Management

Unified investment account covering forestry, crypto mining, and renewable energy sectors. Monitor all investments and returns from one centralized interface.

Real-Time Monitoring Dashboard

Real-time portfolio performance tracking with detailed analytics. View daily profit accumulations, investment growth, and transaction history instantly.

Secure Deposits & E-Wallet Integration

Seamless deposits and withdrawals with BTC, ETH, and USDT support. Dedicated cybersecurity team ensures 24/7 platform protection with optional 2FA.

Platform Features

Our investment platform offers a seamless experience with powerful tools designed for modern investors. Manage your diversified portfolio across forestry, mining, and renewable sectors from one intuitive dashboard with enterprise-grade security protecting every transaction.
